CLAIMING AN IGFA WORLD RECORD:

You must be an IGFA member to claim an IGFA World Record. An IGFA World Record Claim **MUST** be made on the appropriate IGFA recognised claim form and in accordance with the IGFA guidelines printed in the World Record Book.

If an Australian/Victorian record is being claimed in conjunction with the World Record Claim, the angler must complete the appropriate GFAA claim form and submit it with the claim with the appropriate cheques as described above.

Only one line sample with double and trace is required to be submitted for all three claims.

CLAIMING PROCEDURES:

All record claims must be submitted through the angler's club secretary/recorder who should forward the claim to the recorder of the state in which the capture was made.

To ensure that record claims are delivered safely to the state recorder, it is wise to **post them by certified mail and request a return receipt.**

When a claim is made for a Victorian record, the secretary of the club from which the claim was sent will receive a letter from the GFAV recorder to say that the claim has been received. If this letter is not received within 14 days of the claim being sent, please contact the GFAV recorder on the number listed below.
